

Girl Scout Pathways Survey for Volunteers

With the input of Pathways Advisory Team and thousands of volunteers and council staff from across the country, Girl Scouts the USA is developing Girl Scouts Pathways-the ways girls and adults participate in Girl Scouting-that will align with the New Girl Scout Leadership Experience. GSUSA invited *you* to join us in shaping the future of Girl Scout Pathways, which we anticipate introducing to the Girl Scout community by fall 2010.

We encourage **volunteers** to participate in this survey, which will take approximately 15-20 minutes to complete. Please answer applicable questions as fully as possible. We appreciate your participation!
