Girl Scouts of Greater South Texas Outdoor Program

Skilled, passionate, enthusiastic adults are needed to open the doors to our girls' fascination with the world outside. Your hobbies, talents, leadership, and generosity put events on the calendar for our future leaders to learn about the natural environment and environmental responsibility. Choose just one of the dates listed below, and 60-150 girls will be able to attend an event on that date that will change their view of the great outdoors forever.

OR you can tell us what your interests are, and we will match you with an event that most closely relates to what appeals to you.

You don't have to be a teacher or an expert. Your willingness to help and your interest in being part of the Outdoor Program opportunities is all that is needed. The rest will be provided.

What's in it for you?

- Meeting other volunteers and sharing ideas and interests
- Leadership hours for Girl Scout Cadettes, Seniors, and Ambassadors, as well as Girl Scout Bronze and Silver Award project opportunities
- Expanding your own skill set by trying new things and continuing your learning
- Spending time in the out-of-doors with other Girl Scouts who respect the environment as much as you do

Sign up today. The girls are waiting.

Discover. Connect. Take Action.
