

Volunteers Make a Difference Day

Volunteers are the heartbeat and the core of our organization. Girl Scouting would not exist without the dedication and talents of its volunteers. We cannot serve the girls without YOU, and the untold hours of time that you give define our excellence as a council.

In conjunction with this activity, our Council also participates in the National "Make a Difference Day" by hosting our own "Project Undercover", where Juliettes and Troops collect new undergarments, socks and diapers for CPS in their communities.

Girls Scouts of Greater South Texas

Would like to say "Thank You" on this day

By having an open house at all of our Service Centers

Friday, October 29, 2010

9am-2pm

We will serve refreshments and give you a small token of appreciation

Gracias
