

## From Good to Great: Successful Girl Scout Gold Award® Projects

A Girl Scout Gold Award project is different from a good community service project. It should involve girl planning, leadership and decision making and focuses on addressing a real need in your community. It encompasses the mission of Girl Scouting — creating “girls of courage, character and confidence, who make the world a better place.” When working as a group, each girl needs to play an individual role. Here are several examples of good service projects that have expanded into great Girl Scout Gold projects.
