

AN ONLINE GIRL SCOUTS PROGRAM

from the National Museum of
Dentistry

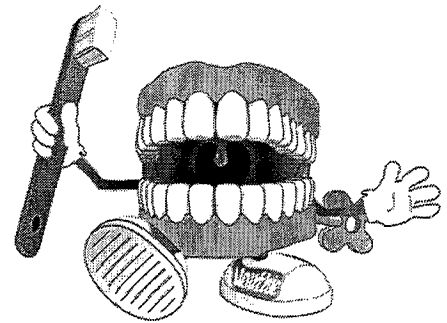

Discover the Power of a Healthy Smile at www.mouthpower.org!

MouthPower®

The National Museum of Dentistry, an Affiliate of the Smithsonian Institution, is pleased to present MouthPower®. Created in partnership with the American Dental Association, www.mouthpower.org is an entertaining and educational web experience that engages Girl Scouts in discovering the power of a healthy smile. MouthPower® Online is available in both English and Spanish!

Meet Mouthie®

The chatterteeth mascot Mouthie® helps participants run experiments about oral health, healthy eating, tobacco use prevention, and how much a dentist visit has changed. Create original posters and earn virtual teeth towards a personalized certificate of completion.

Earn a Patch

Girl Scouts will learn about making healthy choices and fulfill requirements for several Brownie and Junior badges. After completing the program, Girl Scouts have the option to purchase a MouthPower® patch to place on their uniform.

Spread the Word

Consider putting a MouthPower® link on your council's website. We will even send you a logo! As a thank you, we will post your council's name on the website as a MouthPower® participant. MouthPower® can also be added to your programs guide for troop leaders to see.

Try www.mouthpower.org for yourself and discover an exciting new way to teach Girl Scouts about oral health!

Call 410/706-9599 or email sparker@dentalmuseum.umaryland.edu for more information.
