

Volunteers Needed!

You can recycle at
Nursery School
as well as at home!

Nursery School needs your
volunteer support. The student
Green Team will collect
recyclables from classrooms
and offices, but need **YOU** to
take the recycled paper to the
Hovar recycling center in
Victoria.

Volunteer to haul Nursery
School's recycled paper by
calling Suzanne Bell, NISD
superintendent at 361-575-6882.

School Recycling

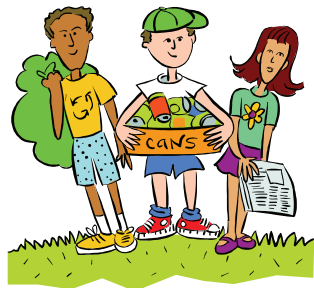

A school offers a unique environment for recycling programs because it is both a workplace and an opportunity to educate young people about environmental concerns.

By recycling you:

- ⇒ **reduce waste in our landfill**
- ⇒ **improve our air quality**
- ⇒ **save energy and water**
- ⇒ **become a good environmental steward**

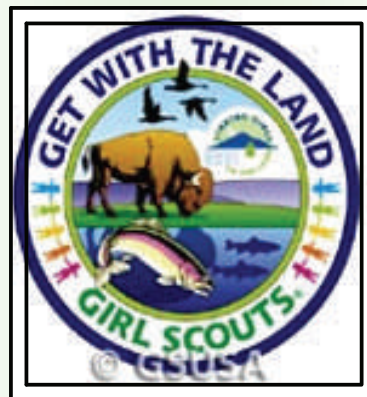

Nursery Elementary school has recycling bins in every classroom. There are also bins in the library, cafeteria, and gym. In cooperation with school faculty and staff, recycling has become a fun and educational way to learn about the environment.

Girl Scout Green Team

The Nursery recycling program was started by Brownie girl scout troop #9541. The girls will receive EPA's Get With the Land patch for their leadership in conservation.

About Paper Recycling
