

## Logging in to MY GS

1. Open your Internet browser. We recommend using Firefox or Chrome. If you're on Internet Explorer, anything after Version 9 works best. Go to [www.gsgst.org](http://www.gsgst.org). Click on MY GS and then Member Profile.

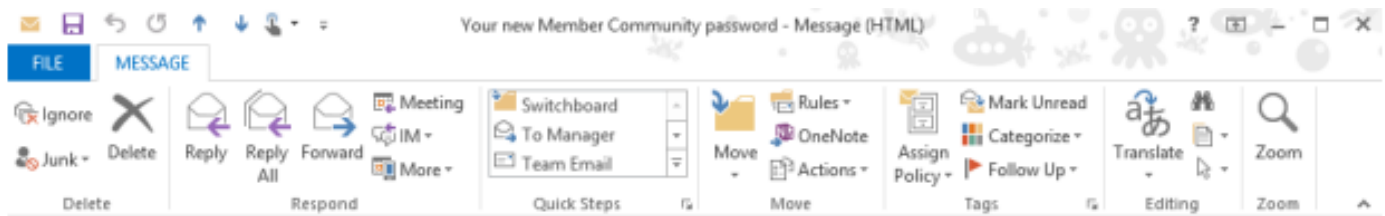

2. Log in using the email address you used when you signed up, as your username. If you do not remember, or the username you are trying does not work, please contact Customer Care in person, or at [info@gsgst.org](mailto:info@gsgst.org). Please note that your password may need to be reset. If you can't remember your password, click the "Forgot your password?" link.

A green "Log In" button is positioned below the password field. Underneath the button is a "Remember me" checkbox. At the bottom left of the form, the text "Forgot Your Password?" is circled in red. A red arrow points from the "Forgot Your Password?" link to the "Password" input field. At the bottom of the form, there is a link for "Girl Scouts employee? Log In".

3. If you forgot your password, you will be prompted to enter your username. (this is your email address) Click "Continue."

4. You should receive an email called “Your New Member Community password” very soon. It contains a link that you will click to create a new password. If you don’t receive this email, please reach out to our Customer Care team at [info@gsgst.org](mailto:info@gsgst.org) and they can prompt another email to be sent to you.
