From: Girl Scouts of Greater South Texas  
Subject: "Project Undercover" Make a Difference Day

**DATE: Saturday, October 23, 2021**

## MISSION:

Your mission as undercover agents, should you choose to accept it, will be to collect new, packaged underwear, sheets and cuddly toys for children who need them.

## BACKGROUND:

"Project Undercover" is Girl Scouts of Greater South Texas Council's community service project conducted through October and culminating each year on Make a Difference Day.

Our council has established this project to help children under the care of the Texas Department of Family Protective Services. The project addresses an often over-looked need - new underclothes (diapers, baby wipes, briefs, panties, socks, etc.) for children (ages newborn to 17 years of age both boys & girls), who have been removed from their homes.

This project is part of Make a Difference Day in which more than 2 million Americans in thousands of communities across the country will spend the day involved in volunteer projects. Make a Difference Day is the largest national day of doing good.

See the attached listing for your closest drop off location along with what the needs for each location are.
